

iiTOPs Supply Line Press Release May 2009

iiTOPs has launched its Vendor Interface Portal (VIP), a unique interface whereby Suppliers access complete and "real time" order data for any of their customers utilizing the **iiTOPs Memorial Order Management system**. This tool provides Suppliers Customer Support staff access to their own client order information assisting in the processing and support for pending memorial orders. For additional information, contact sales@iitops.com. **iiTOPs is "Your Solution!"**.
